

# Pupil Progress Report 2022

**Student Name**  
Anne Example

**School**  
Bovingdon

**Class**  
4 Turquoise

**Teacher**  
Mr Hansford-White

**Instrument**  
Drums

**Effort**  
2 Good

**Progress**  
2 Good

*1 . Excellent, 2. Good, 3. Satisfactory, 4. Needs Improvement*

---

## **What we've been working on this term and how much progress we've made**

Anne has been mastering 'The Main 4' drum beats this term, she can now play them all and to a wide array of songs. Favourite songs are Butter by BTS, Believer and We don't talk about Bruno. We have also spent a lot of time on the Gorilliaz track Feel good inc. It has a very tricky beat and Anne can play it well now. She has also started to improvise her own ideas with drum fills and has increased her speed. Anne is always attentive in his lessons and has a positive attitude when he's playing drums. Well done this term!

## **Next steps / things to practise**

I would recommend Anne starting on Grade 1 next term, this should give her more focus and accuracy on the instrument. Keep trying out 'The Main 4' to songs that you might discover in the summer holidays.

---

## **We hope you have a wonderful Summer Holiday. Remember...**

- The more you practise, the better you get.
- Never say "I can't", because you can and you will, it just takes practice.
- When you make a mistake, throw your hands in the air and say "HOW FASCINATING!"
- We want progress not perfection.
